3. Plantation of saplings

The tree plantation was organized inside the college campus on the occasion of republic day as a part of Swachhta Pakhwada 2020. The faculty, students and staff planted saplings, and fenced them and watered the plants.

4.Talk show on Swachhta and Health

The Student Wellness and Counselling Cell in association with swachhta pakhwada conducted a health awareness program for women. Women in our society are concerned about everyone in the family but they avoid their health. Though they have a lot of doubts and confusions they often tend to avoid meeting a gynecologist and clear their doubts. So we felt it's very important to conduct a program for women. Modern women ask their doubts to google and stress themselves because google often diagnoses their issues.

HAP was conducted on 22nd january 2020 from 3-4 pm. Ms.Arya Aravind welcomed the speaker and gave a brief introduction about her. Dr.Bidisha talk was mainly focused on menstrual hygiene, menstruation,cervical cancer,general health,vaccination, pregnancy and related concerns. There were 25 participants including students,staff and faculty. Their doubts and concerns were discussed. Dr.Uma presented momento to our speaker. A small discussion about the program was conducted after the awareness program and participants felt that this kind of program is really useful for them and they even requested to organise these types of programs.
